Commissioner Is Full Time Job Says Bud Weaver

Do the people of Belle Glade and elsewhere in Palm Beach County deserve a full time County Commissioner?

E. W. (Bud) Weaver, candidate for District 3 County Commissioner, contends they do. "I am elected County Commissioner, I will devote full time to the job," Weaver said.

Weaver will visit Belle Glade Monday and Tuesday to advise city officials and citizens in general of his plans for uniting Palm Beach County into one working team for greater prosperity.

"Only by full understanding between the Glades and the coastal cities can Palm Beach County achieve its greatest economic potential," declared Weaver.

A Glades resident at Lake Harbor for 18 years, Weaver is opposing incumbent Paul Rardin, in office 20 years.

Weaver is a field superintendent for the Ritta and Clewiston drainage districts. He observed his 50th birthday last month.

Cancer Crusade

Begins Apr. 10

Lee Cranford, Belle Glade Cancer Crusade Chairman, announces that the annual Fund Drive will get underway April 10th. Area leaders will be "Pop" Allen, who will handle S. Bay, and Bob Bussey, who will handle L. Bay. Laddow, who will be in charge of the Belle Glade Business Section. Mr. Cranford and Charles McCurdy will handle the residential areas.

Mr. Cranford reports that more volunteers are needed. "If you will help, please call him at 896-2067 and offer your services."

Mr. Peacock, Crusade Chairman of Palm Beach County, said "Again this year, our Crusading Volunteers will have a two-fold purpose. They will seek public contributions to help support the Society's year-round cancer control program of public education, research and services for cancer patients. At the same time, they will give to home residents an informative cancer education pamphlet, 'The Answers to These Questions May Help Save Your Life'."

Which Type of Cancer Is Increasing Most Rapidly? Which Cancers Kill the Most Americans? What Can We Do To Help Protect Myself Against Cancer? Are We Getting Anywhere Against Cancer?

"Deaths in Florida have continued to increase from 8233 deaths in 1962 to more than 10,000 in 1963 and it is estimated that in 1964 as many as 17,000 new cancer cases will develop among Floridians."

"Something is being done about cancer; there is a hopeful side. Today, 1,200,000 Americans have been cured of cancer. They are living and free of the disease, five years after their treatment. This year, about 177,000 patients will be saved but — 88,000 more could be saved if the disease would be detected earlier and prompt, proper treatment given."

"To Cure More, Give More" to the 1964 Educational and Fund-Raising Cancer Crusade — and "Fight Cancer with a Medical Checkup and a Check."

Beginning Apr. 15

Heavy Labor Shortage Anticipated

The farming area around the southwestern shore of Lake Okechobee is presently anticipating a heavy agricultural labor shortage which is expected to begin about April 15th. The shortage will probably continue for about five or six weeks. Conditions which brought about this labor shortage are largely due to the heavy freeze of February 24th which did considerable damage to young tree plantings

"Bud" To Visit Glades

Bud Dickinson, the Glades' hope for improvement by the City and to a site where he will visit Belle Glade on Saturday, April 10th at 10 a. m., following some ceremonies at Palmetto.

A motorcade is planned to meet him and escort him to the City and to a site where he will speak to the public while they are enjoying some refreshments.

Life Toll And Property Damage Soar From Our Death-Trap Roadside Canals

"CAUTION . . . DEEP CANAL" road signs along our highways border on the ridiculous as far as offering any protection for travelers. Statutes ask "Are they really deep?" Too many have been victims of their murky depths . . . 30 to 40 feet in many places. Four are dead in one week from drowning in car-canal accidents and property damage to cars runs into thousands of dollars. CAUTION could have helped in SOME but NOT ALL cases. WHAT IS OUR SOLUTION?

57 Glades Art

Students Exhibit

In PBC Show

The fifty-seven Belle Glade exhibits in the Adult Education Department Art Show, Saturday, April 4th at the Palm Coast Shopping Plaza were most impressive according to Paul L. Phillips, Adult Education Director. The interest shown by the hundreds who observed the total of 530 exhibits was a genuine reflection of the type of work done in these classes.

Margaret Barwood observed the Belle Glade display and was ably assisted by a number of adult students who remained all day. It is hoped to expand these classes in the future so that students at various art achievement levels can be separated into specific classes such as Basic Art, Watercolor, Oil Painting, as well as Mechanical Drawing.

The success of this first county-wide show has resulted in plans for a similar one next year, with possibly a fall show and then a late spring one.

Chief Goodlett

Granted Leave

City Manager Hughson announces that the City Commission has granted a 90-day leave of absence to Charlie Goodlett, an advisor to the City Manager. Mr. Goodlett expects to do a bit of fishing, camping and boating in and around the waters of South Florida.

Relief from telephone ringing and harassing details of official and civic problems are expected to result in benefit to our Chief.

Miss Everglades Contest Open To Girls 16 to 20

Pahokee Jaycees have announced a change in age requirements for entering the Miss Everglades Contest to be held in Pahokee April 16 to 19. Girls 16 to 20 who are residents of the Glades from Clewiston to Okechobee are eligible to enter.

Sponsors are required and girls may arrange their own or the Jaycees will arrange theirs for them. For more information call 924-5322, or write Miss Everglades Contest, P. O. Box 645, Pahokee.

The winner of the Miss Everglades Contest will be the official hostess for the Doyle Corn Day and parade to be held on Saturday, April 18, in conjunction with the Spring Harvest Festival.

Miss Everglades will be crowned on Friday night by Miss Willardene Todd, who was Miss Everglades of 1963. Contestants will be judged in evening dresses.

Charity exhibitions will be held Thursday through Sunday.

A Little Miss Pahokee Contest for ages 3 to 6 will also be held Thursday evening, April 16.

Glades 4-H Livestock

Dairy Meeting Tonight

Kent Price, Assistant County Agent, announces there will be a meeting of the Glades 4-H Livestock and Dairy Club members in the Belle Glade area on Thursday night, April 9th at the Glades Office Building at 7:30 p. m. We would like to urge all 4-H Club girls and boys and their parents, interested in dairy and beef cattle to attend this meeting.

Belle Glade Elementary Pre-School

Round-Up Scheduled For April 14

Pre-school round up will be held at the Belle Glade Elementary School on Tuesday, April 14 from 1:00 p. m. to 3:00 p. m.

Principal Carl G. Crawford

Agents To Explain

Hospitalization To

Citizens Over 65

E. J. Carlton, president of Glades Life Underwriters, announced this week that members of the organization will be available to senior citizens on Thursday, April 11, at the Chamber of Commerce building to answer any questions they might have on hospitalization for people age 65 and older.

Just call the Chamber of Commerce between 10 a. m. and 6 p. m. — if you lack a ride someone will come to you, he said. Considerable interest has been evidenced in new policies now available to older residents regardless of past health record, he said. The Underwriters will donate to the American Cancer Society commissions on any policies written that day.

4th Street Storm Drain

Being Carried To Finish

"Work has been resumed on the 4th Street storm drain on the Rights Street storm drain," says City Manager, "and it will be carried to completion." The elimination of a health hazard and eye-sore has been a city project for some time; the advantages of positive drainage is also an objective of the project.

SR 25 Accidents

Land Two Trucks

In Canal Monday

A southbound GMC truck with semi tractor trailer, driven by Howard A. Goe of New Orleans, La., swerved to the side of the road to avoid a head-on collision with an oncoming car traveling on the wrong side of the road and landed in the canal about 1:26 a. m. April 5, about 6 miles south of South Bay on SR 25.

Highway Patrolman Bill Richardson who investigated, said a northbound '62 Ford sedan driven by Fred Braxton Boles, Pahokee, struck the truck on the right tandem of the trailer and knocked the right axle from under the trailer before the truck plunged into the canal.

The trooper estimated damages to the GMC at \$3000. Boles who was charged with driving on wrong side of the road, was treated at Belle Glade Memorial Hospital for numerous injuries and released.

Another accident Monday, April 6, occurred about 3 miles west of Lake Harbor on SR 25, just north of the entrance to Tropical Gardens when a blow-out occurred on a Falcon as it passed a Ford trailer-truck. The Falcon driven by Mrs. Rubye Lee of Lake Harbor, hit the left front of tractor and the semi-trailer, reportedly "hook to the canal."

Richard Gayle, 4418 Canal Road, West Palm Beach, driver of the '63 Ford truck and trailer, was treated for injuries at Clewiston Hospital and released the next day.

Damages to the truck were estimated at about \$2000 and \$500 to the Falcon. Trooper Lockwood of FHP investigated the accident.

Patting Deadline Possibly April 15 USA Studies '65 Sugarcane Quotas

A hearing is scheduled by USDA 1965 proportional shares sometime in the future to receive views and recommendations of interested persons, according to an announcement.

ment thru the Palm Beach County ASICS Office, by Sam Schooley, Office Manager. The official statement follows: "The U. S. Department of Agriculture announced today Mainland Cane Sugar Area

that consideration is being given to the need for establishing farm proportionate shares (acreage allotments) for the

proportionate shares, to those on or prior to April 15, 1964. "Pursuant to the Sugar Act, proportionate shares are required in any domestic area when the production of sugar from a crop will be greater than the quantity needed to enable the area to meet its quota and provide a normal carry-over inventory."

A public hearing on 1965 proportionate shares will be held, at a time and place to be announced later by the Department, to receive the views and recommendations of interested persons on this subject. "Views and comments on proposal on 1964 acreage credit may be submitted in writing. The Director, Sugar Policy Staff, Agricultural Stabilization and Conservation Service, U. S. Department of Agriculture, Washington, D. C. 20250, stop marked no later than mid-night May 1, 1964.

SR 25 Accidents Land Two Trucks In Canal Monday

Miss Pat Anderson Is Crowned "Miss Palm Beach County"

Twenty-year old Pat Anderson of Belle Glade is the 1964 "Miss Palm Beach County."

In the early morning hours of Tuesday the judges chose a 5 ft. 3 in. blue eyed, blonde haired beauty from a field of 21 contestants.

Runner-up was Judith Oliver, Boca Raton, and Eva Kovacs, Palm Beach; Pat Stone, Lake Park; and Jayne Galambos, Boca Raton, finishing in third order.

A near capacity audience in the Royal Poinciana Playhouse stayed well past midnight at the beauty-charm-talent pageant co-sponsored by the Lake Worth Civitan Club and Papyrus.

She was crowned by Anna Lou Michael, Lake Worth, the retiring "Miss Palm Beach County." Due to illness in Miami the reigning "Miss Florida," (Continued On Page 3)

Red Cross Drive

Nears Completion;

Still Time To Give

Glades Chairman Howard Payne reported \$552.79 collected for the American Red Cross from our area thru Wednesday morning.

"Some additional contributions are promised and we hope to close this drive this Friday," he said. "People have given generously and we're pleased that this year's contributions exceed our last two years' record."

"The Red Cross has probably exceeded any other organization with direct help to our area in times of crisis," Mr. Payne went on to say, "and it's gratifying to know our people do not forget when drive time comes around."

A completed report will be available next week.

If you haven't sent in your check Mr. Payne, co-chairman Richard Poston, or one of the other trustees of the Florida East Coast Optometric Association have volunteered their services for pre-school visual screening on April 15, 16 and 17. PLEASE MAKE EVERY EFFORT TO A-VAIL YOURSELF OF THIS SERVICE.

State Road Dept. Announces Work On Curlee Road

Rebuilding a 1.3-mile segment of Curlee Road north of Belle Glade in Palm Beach County is expected to be started by April 9, the State Road Department announced today.

Road Board member John H. Monahan said the project extends from U. S. 441 approximately 1.3 miles north of Belle Glade in an easterly direction.

Work on the project includes constructing two 12-foot lanes following the path of an existing rock road 18 feet wide.

Rubin Construction Company will be the contractor and will have 115 working days to complete the project.

Frances Dorothy Rutledge Is Buried At Hillcrest

Mrs. Frances Dorothy Rutledge, 65, resident of the Glades for more than 20 years, was buried last Sunday afternoon at the Belle Glade Memorial Hospital following an extended illness.

A daughter, Mrs. Frances L. Hand, is a native of Belle Glade and lives here; three brothers, Tony, Cornell and Seth, live in Grand Rapids, Michigan, as does the one sister, Mrs. Winnie Bank.

Mr. and Mrs. Rutledge were closely associated with the vegetable shipping of the Glades until his death several years ago. Recently, Mrs. Rutledge has extended the family's vast holdings of Glades business property and farm lands.

Funeral services were held in the Williams Funeral Chapel, Tuesday at 2 p. m. with Mrs. Marie King, Christian Reader officiating; graveside services were by Pastor William E. Bonham, at Hillcrest Memorial Park, West Palm Beach.

Assistant Clerk At Draft Board

Mrs. Pat Clayton is employed in the Selective Service office as assistant clerk and began her duties on Monday of this week. Area auditor J. W. Garretson is in the office as supervisor during the absence of Mrs. Jack Little, clerk.

Mrs. Little is receiving treatment at St. Mary's Hospital and hopes to be allowed to come home within the next few weeks.

Elks Install Davis Kicklighter

Past District Deputy Rulers, James Vann (right) and Frank E. Dooley, served as Grand Lodge officers to install Davis Kicklighter (center) as Exalted Ruler of Elks Lodge of Elks No. 1716, Monday night at the Hall.

Past Rulers of Pahokee and of Delray Beach, Fla., joined past Rulers of the Belle Glade Lodge in the ceremony of installation.

Other officers installed at the same time are: William B. Rhodes, Loyal Knight, Rob Creech, Jr., Leading Knight, Errel Mixson, Lecturing Knight, John Cassey, Esquire, Arthur Kirchman, Treasurer, H. Y. Dras, Sec. Wilbur Mincey, Chaplain, Leon Boykin, Inner Guard, and Bob Fleish, Tiler.

Supper and refreshment were served guests following initiation ceremonies.

Judy Williams Lopez Dies In Auto Accident
Mrs. Judy Williams Lopez, 22, of Oseola Camp drowned Saturday afternoon when the car she was driving plunged in-

to the Cross Canal, just south of Twenty-Mile Bend. Reports are that the car swerved to the right-hand shoulder and after travelling along this for more than 100 feet, it crossed the road and proceeded along the west shoulder until a water course caused it to flip over and into the canal.

The passenger, Jack Miller, 26, of Sugarland Trailer Park, Belle Glade, escaped from the submerged car.

Funeral services were held Wednesday morning at the First Baptist Church, with Pastor Luther A. Key, officiating. Interment was at Port Mayaca Cemetery.

Survivors are, husband Carmello Lopez, West Palm Beach, daughter Anna Marie Lopez, parents, Mr. and Mrs. Melvin A. Williams. There are five sisters all of Belle Glade. Mrs. Diane Scott, Shirley Ann, Mary, Lindu Lou and Delores Williams.

Williams Funeral home was in charge of funeral arrangements.

These Devoted Time, Effort To Wee Care Nursery

AMONG THE MANY WORKERS who contributed most generously their time and effort toward initiating, constructing and completing the Wee Care Nursery, dedicated in ceremonies here last Sunday, April 5, were I to — Ulysses Kerr, president of Progressive Citizens Committee; Sara Lee Creech, representing the Inter-racial Council; Timothy Rumph, who was in charge of construction and his daily assistants Eddie Harris and Nathan Taylor.

Gay Hopkins Hurt In Holdup Attempt

Gay Hopkins was attending to the wants of three customers last Friday night by turning to hand a proposed purchase of gum from the rear counter, when a fourth negro pushed a pistol in his stomach with the announcement that "This is a holdup." Gay's hand with the gun in it continued its downward motion to grab the barrel of the "thirty-two" and a very busy few minutes with the hold-up man rolling over the counter and bumping into the counter. Half-pint pints and fifths fell to the floor and were crushed in the melee, which was suddenly ended by the attacker "taking off."

Gay found that the negro had pulled the pistol and he had gained bruises, scratches and cuts in the procedure.

The three customers, who were off-shore workers, took off also at the commencement of the wrestling in the general direction of the British Isles east of the mainland of Florida.

Pat Anderson Wins

(Continued from Page One)

Flora Jo Chandonnet, did not appear as scheduled.

Voted "Miss Congeniality" in the Miss Palm Beach County Pageant was Miss Galambos, and winner of the talent competition was Janice Fields, Palm Springs.

Master of ceremonies throughout the near five-hour pageant was Andy Andrews, Lake Worth. Soloist Bud Greene, Lake Worth and Bob Vrooman and his orchestra were heard frequently.

Judges were Bill Carter, Win Haven, Fred H. Yount, Saluda, N. C., Russell Firestone, Dallas, Texas, Edgar G. Hamilton and Bert Johnson, West Palm Beach.

The final big moment of the finale came when the five finalists had to select the quality they would most desire in a husband, and then speak extemporaneously of their designations.

The winning Miss Anderson, Green said today checks for \$40,000 from the race track tax fund are being mailed to each of the 87 counties, an increase of \$5,000 over the same month last year.

Vegetable Field Days In And Near Glades Include Belle Glade

Dr. James Montelaro, associate vegetable crops specialist with the Florida Agricultural Extension Service, has announced the dates of four vegetable field days to be held from one end of the state to the other.

Dr. Montelaro explains that the field days are conducted by units of the Florida Agricultural Experiment Stations in cooperation with the local county agents. The field days involve the reporting of latest research observations by scientists and a tour of trial plots.

The field days are as follows: Potato Investigations Laboratory, two miles east of Ft. Pierce, Thursday, April 16, 1:30 p. m.

South Florida Field Laboratory, two miles north of Immokalee, Thursday, April 23, 1:30 p. m.

Indian River Field Laboratory, six miles west of Port Pierce, Wednesday, April 29, 1:30 p. m.

Everglades Experiment Station, just east of Belle Glade, Thursday, May 7, 9:00 a. m.

Dr. Montelaro explains that the field days are conducted by units of the Florida Agricultural Experiment Stations in cooperation with the local county agents. The field days involve the reporting of latest research observations by scientists and a tour of trial plots.

"How Important Is Love?"

A Thought From The Bible By Lewis Lively
"God commanded His love toward us in that, while we were yet sinners, Christ died for us." Romans 5:8

One universal human need is the need to be loved. A few months ago, a man and his wife got into an argument. Heated words were exchanged and the wife came to the conclusion that her husband did not love her.

Repeatedly, she asked him, "Do you love me?" He failed to answer.

Finally she handed him a note which said, "I have in my hand a piece of poison. If you do not answer me now, I will know that you do not love me and I will drink the poison."

Still her husband remained silent. She drank the poison and died.

This woman had decided that life without love was meaningless and could not be endured. So she ended it tragically.

How many men and women go through life with empty hearts hungering for love!

If we are Christians do not manifest love to the people around us. It is not for lack of a good example.

The only true accusation that Jesus' enemies were able to bring against Him was, "He is a friend of sinners."

To this Jesus replied, "The well have no need of a physician. I came not to call the righteous but sinners to repentance."

"Love led the Savior, in days long ago. Down to earth's darkness, its sin and its woe— Seeking the lost ones, His mercy to show. Love led him to Calvary."

The message of God's love is clearly stated in the Bible and was clearly demonstrated on the cross.

But no sacrifice—compelled by love—is all in vain so far as we individually are concerned, if we keep our hearts closed against His invitation to come to Him for cleansing and pardon.

TODAY'S Meditation

Chapman Room

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

If any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new. (II Corinthians 5:17)

In springtime we witness the miracles of freshness, fragrance, and newness. Hedgerows and flowers, fields and gardens are touched by the renewing power of God in nature.

Dr. James Reid tells of seeing a pond which was the scene of desolation. The water was stagnant, and the pond choked with mud and weeds that produced only ugliness and decay. But when he passed it sometime later, all was changed. It was the same pond, but the weeds were gone, in their place were lilies. It was newness of life. Some hand had been at work, cleansing the old, planting the new.

We have seen the miracle of newness' happen in hearts and in lives. When a person becomes a Christian, his life is under new management. When a man is in Christ and under His control, that man walk in newness of life.

PRAYER: O Christ, we thank Thee for coming to give new life to all who would receive it. We praise Thee for the evidence of Thy transforming power seen in the lives of those who have submitted themselves to Thy control. Visit us with Thy renewing grace. We ask in Thy spirit. Amen.

THOUGHT FOR THE DAY
Christ within gives one the power to be a new kind of person. J. Clifford Mitchell (England)

THE Twenty-Third PSALM

You've got to have your arms around a warm, woolly, woolly lamb before the real meaning of the Twenty-third Psalm grips you.

You begin to realize how awkward, bewildered, helpless a lamb really is. David wasn't merely singing of the Lord's faithfulness. He was confessing his own helplessness!

The key to religious faith is not simply the discovery of God's power. It is the discovery of our own need.

The Lord is OUR Shepherd.

O. E. S. Observed 20th Anniversary

Approximately 60 persons including members and their families enjoyed a covered dish supper held preceding the regular meeting of Belle Glade Chapter No. 197 Order of Eastern Star on April 2 at the Masonic Hall.

The meeting commemorated the 20th Anniversary of Belle Glade Chapter, which was organized in 1944. Mr. and Mrs. Donald Aspy presided as Worthy Patron and Worthy Matron. Mrs. Peggy Royals and Mrs. Helen Morris, both past matrons of the Chapter were introduced.

Announcement was made of the illness of Mrs. Victor Muller, a member of the Chapter, who is a patient in Tampa Municipal Hospital.

Following the meeting refreshments of mint, cake and coffee were served by Mrs. Betty Herling and Mrs. Frances Engfer, to the 30 members present.

The next meeting will be conducted on April 16.

Mary C. Beall To Wed Joe E. Beverly

Miss Mary C. Beall, daughter of Mr. and Mrs. Robert Deane and Linda Connell Deane, announced her engagement to Joe E. Beverly, son of Mr. and Mrs. Howard Thomas of Norfolk, Va. Evelyn Livingston of West Palm Beach and New York City, Bill Livingston, Mr. and Mrs. Randolph Livingston and daughter Evelyn of West Palm Beach, Mrs. Kathleen Livingston also Mrs. Gloria Miller and son.

The groom-elect is the grandson of Mr. and Mrs. Henry Grady Boynton of Canal Point, Florida and the late Mr. and Mrs. Thomas Chardon Beverly of Ochlocknee. His uncle and aunt, Mr. and Mrs. H. R. Paulk are residents of Belle Glade. Mr. Beverly graduated from Central High School at Thomasville, Ga. and received his Bachelor and Master's degrees in business administration from the University of Georgia, where he completed his studies this spring. He is a member of Sigma Chi fraternity.

He and his bride plan to make their home in Atlanta, where Mr. Beverly will be associated with the First National Bank.

4-H Achievement Day Attracts Over 150

Over 150 4-H Club members and their parents and leaders participated in the Glades 4-H Achievement program held April 4 at the Belle Glade High School Cafeteria.

Activities during the day included boys and girls demonstrations in the many project areas. The areas included bread-making, dairy foods, electricity, child safety, safety, recreation, plant propagation, clothing and others. There were also contests in public speaking, talent competition and county songs.

At noon a sack lunch was held on the cafeteria platform. Each club had individual exhibits of their work as well as individual awards.

The 4-H girls modelled their dresses, shifts, blouses and dresses.

"Americanism Versus Communism" Student Panel Discussion Apr. 13

"Americanism versus Communism" will be the subject of a student panel discussion to be held at the regular April meeting of the Belle Glade Jr. Sr. High School PTA at 8:00 p. m. Monday, April 13 at the High School Cafeteria. Five High School Seniors, John Cussey, Ron Halbrook, Charles Thompson, Evelyn Harris, and Sharon Moter will discuss what they learned last year in the first classes to be held on this vital subject as a result of the recent state legislative action which requires each student to take this study unit before graduation.

President Don Fisher announced that the nominating committee will make its report and that nominations will be received from the floor for next year's officers.

Rosa Nash Will Be Installed District Director For BPW

Mrs. Rosa Nash of the Local BPW Club will be installed as District Director when District 8, Florida Federation of Business and Professional Women's Clubs hold their fourth and final quarterly meeting at the Clewiston Inn in Clewiston Sunday, April 19th.

Other officers to be installed for the ensuing year are: Mrs. A. R. Moyer of West Palm Beach, assistant director; Mrs. Ramona Quinn of Fort Pierce, recording secretary; Mrs. Mildred Greenfield of Salerno Beach, corresponding secretary; and Mrs. G. H. Brown of Clewiston, treasurer.

Guest speaker for the occasion will be Mrs. H. A. Freede of Dunedin, president-elect of the Florida Federation of Business and Professional Women's Clubs Inc.

Mrs. Freede is a member of the Clearwater local BPW Club and has served her club in many capacities, including the presidency. She has also served her State Federation of BPW Clubs as public relations chairman, State treasurer, second and first vice-presidents.

Mrs. Freede is a graduate of Rhode Island School of Design. Her profession has been advertising and public relations, both in Boston, Mass., and in Clearwater, Florida. Presently she is associated with the L. M. Ber-

Company of Tampa, Florida. She is a member of the Dunedin Presbyterian Church, charter member of the Clearwater Advertising Club, board member of the Pinellas Cancer Society, Women's Press Club and has served with the American Junior Red Cross.

Presiding at the meeting will be the retiring director of District 8, Mrs. Robert Chesbrough. Registration starts at 9:00 a. m. with board meeting at 9:45, work shop on Personal Development at 10:30, business meeting at 11:30 and the luncheon at 1:00 p. m.

Conducting the workshop will be Mrs. Mayme Roegershausen, District Personal development chairman, assisted by the personal development chairmen of all local clubs in the district.

Glades Students On Dean's List At Florida State

The Dean's List for Trimester 1 was announced by Florida State University today. The list contains the names of undergraduates carrying 12 or more hours who made a grade point average of 3.0 (B) or higher in most divisions, 3.25 in the College of Arts and Sciences and School of Engineering Science, and 3.50 in the School of Nursing.

Included from Belle Glade were Frank D. Matthews, Marilyn J. Matthews, Gloria Miriam Smith and Terry Ann Tucker. Bonnila Lair and Constance Singletary from Pahokee.

Birthday Greetings

Today: V. L. Jones, Rev. W. R. Boland.

April 10: Fred Corbin, Mae S. Taylor, Ruth Kahn.

April 11: Billy Thiebaud, Jerry McKee, Sr., Mitch Crissman, E. W. Copeland.

April 12: L. R. Holt, Kathy Boynton, Fred Greer.

April 13: Maryann Braddock, Kathy Scheffler, Linda Rabin, Linda Cone.

April 14: Landon Doub.

April 15: Gary Goggins.

Wm. G. Hobbs Seeks Office As Port Commissioner

Wm. G. Hobbs

Seeking nomination for Port of Palm Beach Commission, District Two, Group Two which is the western section of the port district, is William G. "Bill" Hobbs, West Palm Beach yacht broker.

Hobbs, a native of New Jersey, has been a Palm Beach County resident for 20 years—the past 14 operating his own business.

He has long been associated with waterways, boating, harbor operation and conservation of natural resources. He is a past chairman of the West Palm Beach Waterfront Committee and served during the period when the WPB Marina was rehabilitated and placed on a paying basis.

Hobbs said his platform for the coming primary campaign is one of general opposition to the manner in which the port of Palm Beach is presently being operated and opposition to proposed future plans for the port.

Specifically, he said he is opposed to a proposed widening and deepening of the Palm Beach Inlet.

Is opposed to the sale of Peanut Island and favors retaining the area for public recreation. Is opposed to heavy industry, such as an oil refinery, locating at the port, but would welcome light, clean industry suitable to the area.

Hobbs favors a more equal distribution of port tax revenue to aid all sections of the district. Also on finances, Hobbs said he favors a cut in district taxes; a sharp reduction of operating costs and an immediate audit by the State Auditor.

Closer control should be advanced, he said, to curb the spreading air and water pollution in the vicinity of the port.

Hobbs is a Democrat and winning nomination in the primary will place him in opposition to a Republican opponent in the fall general election.

Candidate For Port Commission

John Rybovich, Jr., member of a well known boat building firm in West Palm Beach established during the pioneer days of the area, has filed as a candidate for Port of Palm Beach Commission, District Two Group One.

Rybovich, a Democrat, said he entered the Port Commission race with a strong belief that many residents of the district are not satisfied with the manner in which the Port of Palm Beach is being operated nor the lines that have been drawn concerning administrative policies for the port.

Rybovich said he favors retention of Peanut Island for public recreation; is opposed to widening and deepening the Palm Beach Inlet; is opposed to further expensive expansion of port facilities; favors a cut in operating costs to bring about a cut in district taxes; believes that the state auditor should be called in for a check of port books as opposed to present policy of hiring private firms to make close audits.

He said he would oppose building oil refineries or other heavy industry at the port and would lend all possible assistance in procurement of industry suitable to the port neighborhood.

Rybovich said he feels that many areas of the port district have been ignored in the past.

recreation; is opposed to widening and deepening the Palm Beach Inlet; is opposed to further expensive expansion of port facilities; favors a cut in operating costs to bring about a cut in district taxes; believes that the state auditor should be called in for a check of port books as opposed to present policy of hiring private firms to make close audits.

He said he would oppose building oil refineries or other heavy industry at the port and would lend all possible assistance in procurement of industry suitable to the port neighborhood.

Rybovich said he feels that many areas of the port district have been ignored in the past.

except to pay a share of the taxes. The entire district, he said, should be considered in drafting future plans.

Rybovich has a long background as a protector of natural resources, development of waterways and in conservation activities. He is a past president of the West Palm Beach Fishing Club; one of the founders of the Salish Conservation Club; a director of the Salish Club of Fla., former chairman and still a member of the West Palm Beach Waterfront Committee; is a member of the Pilot Board at the Port of Palm Beach and he served for three years during World War 2 as an officer of the Transportation Corp and was discharged as a Captain.

He resides in West Palm Beach with his wife, the former Kathryn Jordahn, and their two children who attend public school there.

APR. 9, 1964 THE HERALD, Belle Glade Florida Page 7

D. C. T. Student Of The Week

Miss Nancy Pilsch, President of Belle Glade High School DCT Club of 1963-64, presiding at the Employer-Employee Banquet on March 24, 1964 at the Community Center.

"Students" Teacher Editorial

By Jan Bottoms
There are various kinds of students — or shall we merely say individuals — among a student body. These differences are most often noticed by those who come in contact with the students daily and who are concerned with their growth and development patterns (mentally, and physically). Teachers get many chances to observe the vast differences in students and are often able to classify them into several categories.

There are the conscientious students who really and truly care. There are those who could not care less. Then there are those who care about the vast things only. These three categories we will examine.

First, there is the student who is aware of what is going on, puts forth a definite effort toward achieving some worthwhile goal, is always prepared, and ready to meet almost any challenge. This is the kind of student who makes teaching a pleasure.

Secondly, consider the student who might as well be in some other world as far as being informed and concerned about people, his environment, and his studies. This student puts forth about as much conscientious effort as a frog would. He does not actually live; he merely exists. Satisfaction to this person is simply getting by—or even less. Whether or not he is learning or accomplishing something is not at all important. This type student drives a teacher to distraction.

Then there is the student who has the potential to be an all-around person, and who is extremely interested in a few areas of school life. In these specific endeavors, he does quite well. He gains the feeling of self-satisfaction which comes with the knowledge of having done a good job. But, he gains this only in the few things in which his main interests lie. As for many of the daily aspects of school and society he does not particularly enjoy, they might as well not exist. He is a miserable failure here. A teacher frequently finds this type student and thoroughly enjoys him, providing he is interested in the same things that the teacher is. But, as is the case when the situation is reversed.

To be a well-rounded person is to be a team player in one's school life. Students need to set their goals high and to aim straight, to learn to take the knocks with courage and determination and to be humble when all is going well.

Belle Glade And Vero Tie

On Friday, April 3, the Golden Rams baseball team traveled to Vero, where they tallied four runs in the first inning. In the third inning Vero combined two hits along with one or two Rams errors to make the score four to three Belle Glade. In the following innings Vero went ahead of the Rams to the score of 6-4. The Rams then rallied to tie the score at six all, but failed to go ahead of Vero. The game was called at the end of ten innings because of darkness. Ed Buckner had an outstanding job of relief pitching for some six innings.

Girls Staters For '64 Chosen

Irene Ashley and Joyce Morris were chosen to be Belle Glade High's delegates to the 1964 session of the Florida Girls State. The girls were chosen from a field of many outstanding Junior girls. The trip to Tallahassee is sponsored by the American Legion Auxiliary, in June, the girls will travel to Florida's capital along with approximately five hundred other girls to literally take over the state's government for one week. They will compete in city, county and state elections from the minute they arrive. Campaigning actually starts on the bus trip up there. Joyce is secretary of the Junior Class and was also elected by them as Miss Junior. Irene is treasurer of the F. F. A., a member of the debate team and the Beta Club. The girls were chosen on the points of leadership, honesty, integrity, and scholastic record. Both are outstanding members of their class. Lynda Long and Suzanne Wierengo were chosen as alternate delegates. If, for some reason, Irene or Joyce couldn't go, one of these two girls would take her place.

Palm Beach Relays

The Belle Glade Rams were one of thirteen teams which participated in the Palm Beach Relays Thursday, April 2, at Copley Memorial Stadium. Other teams in the meet were Riviera Beach, Lake Worth, Sasser, Melbourne, Dan McCarthy, Cardinal Newman, Jupiter, Marlin County, Vero Beach, Pahokee, Forest Hill and Palm Beach. Sixteen events were on the program for the meet. A new event, the hop, step, and jump was added this year. In addition to the hop, step, and jump, other individual events were the 100 yard dash, 180 yard low hurdles, discus, shot put, pole vault, broad and high jump. The relays were the 880, sprint medley, mile, shuttle hurdles, distance medley, 440 yard, 2 mile and 1 mile team race.

Belle Glade came in ninth of the thirteen schools with a score of 514 points. Those scoring for the Rams were Tommy Wood, second in the Jr. High 100 yard dash; John Causey, fourth in the 100 yard dash; Eddie Buckner, fifth in the hop, step and jump; Wayne Roman, third in the high jump; Ronnie McWhorter qualified in the low hurdles, but did not place.

Wayne Roman set a new school high jump record for Belle Glade. He jumped 5' 10" to beat the old record of 5' 10" held by Ronnie McWhorter.

Juniors Keep Working

While the Seniors are anxiously awaiting the Prom, the Juniors are "secretly" planning and carrying out their plans. Mr. Hayes, junior coordinator, said that the Juniors will out do the Juniors of last year. He complimented the Juniors by saying, "They are willing to work to make it the best Prom yet."

There are many jobs that have to be completed before the final week of the Prom. For these jobs, special committees were appointed and a chairman of each committee was elected.

A steering committee was chosen to oversee the progress and supervise the Prom committee. Larry Bowen, chairman of this committee said that from the amount of work that's been done, this ought to be the best Prom ever. Other members of this committee are Janet Hotard, Danny Lanier, Suzanne Wierengo, Albert Kruse, Joyce Morris, Ronny Lee, Ann Williams and Dinah Sides.

The decoration committee is in charge of choosing and ordering the decorations for the Prom. It supervises the over-all decorating of the gym during the final week of preparation. The chairman of this committee is Bobbie Farmer.

The banquet committee is in charge of preparing the menu and choosing costumes for the servers. The chairman of this committee is Judy Selzer.

The invitation and program committee's chief duty is to send invitations to the Seniors, teachers, and guests. This committee also prepares the program for the banquet. John Bamford said, "Because of the excellent cooperation, we have most of our committee work completed."

The music committee has the job of finding the right orchestra for the Prom. Buddy Bender is chairman of this committee. The finance committee is in charge of how, where and for what the money is spent. They cooperate with all committees. Danny Lanier is chairman.

All of the Juniors hope to have and present the best Prom ever in the history of Belle Glade. The Seniors hope so too!

Student Of The Week

Everyone knows that all, friendly senior boy, Ronnie McWhorter. He's got at least a small "hit" for everyone. Ronnie became a star on the track team by winning the high hurdles and high jump last Thursday night. He has been a big booster on the track team in his Sophomore and Senior years.

During his Junior year, Ronnie attended Georgia Military Academy. In his Senior year at B. G. H. S. his favorite subjects are American Government and Phys. Ed.

Also among his favorites are the color blue; demoniacal steaks and carrying out their plans. He loves to sing and dance.

Ronnie's future plans are to enter the Marines in June. We are all proud to have Ronnie as our Student of the Week.

Golf Team

BOYS GOLF TEAM
Friday, April 3, the boys golf team participated in a group tournament at the South Manor Golf Course, Boca Raton. Sixteen teams in this match with the top three going to state. The top three teams were: Port Lauderdale, Stranahan, and Forest Hill.

GIRLS GOLF TEAM
The girls golf team plays in the Conference Tournament Monday, April 13, at Vero Beach.

Mincey Number 1

Merikay Mincey, number one player on the girls tennis team, won her first round match over the number one player of Northeast Miami High School in the district tournament held in Hollywood.

This win gave Merikay the opportunity to play in the second round. Her opponent was Carol Kutz of Miami Norland, second seeded player in the tournament. Merikay, the only senior on the team, has done exceptionally well this season. She has scored wins over Wilma Tyson of Pahokee, Sue Ponnella of Riviera Beach, and other players in the Conference.

Linda Rockwell and Merikay have played well as doubles partners all season. Linda has held the number two position and has held close matches. Allison Cann, a freshman, has made a good showing in the third position. Suzanne Wierengo, second year team member, has done well in fourth place; and Mary Kate Ponder and Janice White have alternately played fifth position.

The team finished with a 4-4 conference record and a 3-4 over all record.

Around The Campus

FAD — Watching Submarine races!
EXPRESSION — I ain't jiving ya.
SONG — "That's the Way Boys Are"
BEST DRESSED — Don Abel

In a baseball game played Saturday afternoon here in Belle Glade, Fort Myers, a AA school, defeated the Rams. The team score was 7-2.

Pat Gilbert and Bootsy Weathers pitched for Belle Glade. Our only hit was made by Riley Foster.

Fort Myers scored twice in the 2nd inning and 9 times in the fifth inning. They had only three hits the entire game.

Little Miss Belle Glade Contest

All petite beauty queens between the ages of eighteen months and five years should be registered for the Little Miss Belle Glade Contest. Miss Martha Sawyers, sponsor of F. H. A. announces preparations are now being made for the contest to be held May 8.

The attire for the contest is short dress, no hat, and no purse.

Any parents interested in entering their daughter should contact Miss Sawyers, Mrs. Hazel Litchfield, Pat Fisher, Irene Ashley, Judy Selzer, or Frankie Holton.

Anyone For Tennis?

With springtime here again we see more and more people gathered on the local tennis courts for that all-popular game. Duff off your rackets and buy a few new balls and you're all set! Set for what? You think you'll find a place to play this Sunday afternoon? Think twice. The growing popularity of the game has made the courts rather scarce, so if you intend to play at all, you'd better hurry to be there first.

After you arrive at one of the courts and spend about ten minutes sweeping the grass off of it, you're all set, except for one thing... the local tennis courts seem to also be basketball courts and after all, where else can the little kids go to shoot baskets? Well, you can let them share that small corner, can't you? Sure, just try to stay out of their way. Whoever thought of this was more of a pet project than a pleasant pastime, nowadays. Why didn't you just stay home and watch television? Who needs sunlight and fresh air?

High School Juniors, are you interested in attending the Naval Academy when you graduate? Annually there are 160 candidates who may be appointed from the U. S. Naval Reserve. This program presents an opportunity for motivated young men to obtain a rewarding career and will give you one of the finest college educations to be had. Competitive examinations are given to those Naval Reserve members who have a year of participation in drill activities and express a desire to attend the Academy. For specific details, contact the Naval Reserve Recruiting Officer, Riviera Beach, Phone 848-0202.

Full House Expected For FULL HOUSE

Two important dates in May are the 14th and 15th. Both nights the senior class will present a comedy, FULL HOUSE. The play is being presented two nights to enable more people to attend. Let's all come out and make a full house for FULL HOUSE.

Join Today's Naval Academy

High School Juniors, are you interested in attending the Naval Academy when you graduate? Annually there are 160 candidates who may be appointed from the U. S. Naval Reserve. New F. F. A. Sweetheart Chosen

By Patsy Dooley
Miss Laura Rogers was chosen as the new sweetheart for the local chapter of the F. F. A. Saturday, April 4, 1964. She was chosen by three judges, Mr. Kyle Scott, Mr. Hector Ouellette and Mr. Milton Carpenter. The contestants were judged on general beauty, talent, and stage poise. The other contestants were Janet Hotard, who placed second, Joan Fortenberry, Lynda Long, Sharon Motes, Cherry Bridges, Beverly Steele, Sandy Guerra, and Sherry Knight.

The winner of the contest was presented with a dozen red roses and is to appear in the district contest in Okeechobee April 17. Last year's sweetheart, Dee De Mikovsky, was recognized. Guy Wilson entertained during the intermission with a medley of songs using the harmonica.

Have You Ever Wondered ...

Why Evelyn H. is sick every other week?
Why the theme for the prom is SUPPOSED to be secret?
What Barbara C. is coming along with her book?
What makes T. get embarrassed about?
Why Beth L. worries so much?
Why J. B. E. is so carefree?
How the F. F. A. is going to get rid of all those toothbrushes?
What makes Pam L. so sleepy?
Why Darlene D. doesn't know what the "B" is on the sewing machine?
Why Sharon A. did to Gwen G?
How Nick snowed all the Junior and Sophomore girls?
Why Mary Leigh likes baseball?
If the Class of '64 might be the Class of '65?

Interact In Action

The Belle Glade Interact Club held its regular meeting on March 31. The main purpose of this meeting was to introduce the following new members: Gary Walker, Albert Kruse, Glen Wolf, Tony La-ton, Larry Bowen, Don Wilkins, and Cary Wall.

The charter members received their pins which students have probably seen the boys wearing around school.

A gracious thank you note from Mrs. John F. Kennedy was read by the president of the club, which previously had sent a sympathy card to the Kennedys.

Keep your eyes open and you may see an Interact project blossoming right under your feet. I understand they were even down at the school over the Easter holidays polishing the trophies.

From the Seniors

SMILE — Kay Campbell - Bootsy Weathers

UNCLE DAN from DOOLIE says:

Dear Mister Editor:
The feller at the country store Saturday night was disturbed about several matters. First off, Ed Doolittle reported he had saw a piece in the papers where a group of wimmen from the District of Columbia claimed they couldn't keep pace with this modern rat race of courtship and they were asking the U. S. Interior Department for Federal aid in getting them husbands. They wanted to know from the U. S. Interior Department if they was any men stationed in far away places that might be interested in marriage.

Ed said this might look like a small matter to some folks, but it could be we was heading for trouble. He allowed as how, when a woman couldn't land a husband, it either meant a man was getting mighty hard to catch or the methods used by wimmen that has already got husbands must be out of this world fer speed and daring.

Clem Webster agreed with Ed, said this whole thing could get as serious as double pneumonia when you figure that maybe them wimmen was adding a whole new field to Guvernment aid. Clem was of the opinion that we was already bordering on the welfare state, and if the Guvernment took over this business of helping wimmen land a husband, we had done crossed the border.

Furthermore, Clem was wanting to know how come them wimmen wrote to the U. S. Interior Department. Why not the War Department? He told the feller they was two things he

never expected to see, one was a picture of Liz Taylor in long underwear and the other was a happy marriage arranged by the United States Interior Department.

Zeke Grubb said this brung to mind a item he was reading in the papers where a feller in regin tried to get married with a dog license. Zeke figured maybe he was anticipating the kind of life he was going to live, said if he'd been the preacher or he would have gone right ahead and performed the ceremony.

Bug Hookum was lamenting about this new tax reduction, reported he had checked the chart and found he's save \$2.57, about enough to pay fer the aspirin he'd have to buy afore he got the new forms filled out. I think Bug has give up on the human race in general and especial the Guvernment. He said he's got it figured out that 90 out of over 100 wimen in this country don't know the difference between a million dollars and a billion dollars and that out of the 10 that does know the difference, 8 of them don't give a dern. Bug reported he was included in them last 9. Actual, he said, the only thing worrying him was his old lady would have to spend her last days in the poor house.

Yours truly,
Uncle Dan

BG Elementary

Art Show Apr. 16

The Belle Glade Elementary Art Show has been scheduled for April 16, from 7 to 9 p. m. in the Elementary School auditorium. Each child in the school will participate, by having one or more selections of their art work on display.

The art exhibits will be judged by out of town judges. All parents and friends are invited to attend.

"BECAUSE I'M BEAUTIFUL HOW ELSE COULD I HAVE WON?"

"WINNING" isn't always easy. Losing is less difficult. Being caught with inadequate insurance is losing, whether a large liability suit, fire on an under-insured home or business or maybe just a simple theft of precious personal belongings.

Airman Thomas W. Moore, son of Mr. and Mrs. Lloyd S. Cowart of Belle Glade, Fla., is being reassigned to Chanute, Kan., Ill., for technical training as a United States Air Force flight training equipment specialist.

Airman Moore, who enlisted in the Air Force a short time ago, has completed his initial basic military training at Lackland AFB, Texas.

He attended Belle Glade High School.

Local Scientists

Attend Field Day

More than 50 cattlemen and dairymen from four counties attended the field day at the Indian River Field Laboratory at Ft. Pierce last Wednesday which included a program of talks and inspection on pasture improvement and experimental plots of pasture cover, including hay and legumes.

Attending from Everglades Experiment Station were Dr. W. T. Forsee, Jr., chemist in charge, Dr. H. L. Chapman, Jr., animal nutritionist who was on the program, Dr. Frank Thomas, assistant chemist and Mr. R. W. Kidder, animal husbandman.

In the absence of Dr. J. R. Orsenigo, associate horticulturist, also of Everglades Station, County Agent Hugh Weckel, who presided at the afternoon session, reviewed a report of Dr. Orsenigo on experiments in nitrogen fertilization of pangola grass, grass variety tests, summer growing legume tests and winter annual clover tests.

Dr. Chapman discussed the use of molasses as a pasture supplement and also added comments to the discussion of the fertilization of pangola grass. In the closing dinner session, the feature address was made by Dr. T. J. Cunha, chief of the Animal Science Dept., of the agricultural service. David Jones, associate agronomist of the service was master of ceremonies.

My precept to all who build, is, that the owner should be an ornament to the house, and not the house to the owner.
Cicero

Physical Fitness Tops 4-H Youths' Health Goals

The National 4-H Health program this year aims to improve personal fitness and community health, announces the National 4-H Service Committee.

Representing the 4-H in the club's four-leaf clover emblem, health activities or projects are expected to be completed by some 670,000 boys and girls from coast to coast. Best efforts will be rewarded thru the program's sponsor, Eli Lilly and Company.

Health medals, trips to the National 4-H Club Congress at

Chicago, and \$500 college scholarships await hard-working 4-Hers. Last year more than 5,000 members earned the gold-filled health medal, according to the 4-H Service Committee. This was an increase of about 300 minners over 1962.

With emphasis on fitness, members and local club leaders as well plan to take periodic inventory of health habits as outlined in the 1964 health bulletin published by the 4-H Service Committee.

The idea-packed bulletin re-

minds club members that "health is first, an individual affair and next a family affair." And, "because we cannot isolate ourselves from society, we have a responsibility to our neighbors to make our communities safe and healthful."

This is the sum and substance of the health program. Individual club members are urged to have an annual physical examination, visit a dentist regularly, have eyes tested and other preventive measures to insure good health. The importance of nutrition to overall health is another area for study and one in which the entire family should be involved.

Among club projects suggested are: tours to hospitals, waterworks, sewage disposal plants; participation in health campaigns such as tuberculosis x-rays, mental health education, summer camps and first aid.

As a result of early experience in health care, scores of former 4-H girls have entered the nursing or home economics professions. Many boys have found careers in medicine or

sous demonstrations. "Entertaining and, to repeat, timely."

Who Destroyed The Hindenburg? Hoehling.

The investigation of this tragedy was doomed to failure by the fact that proof of sabotage would have been a blow to the Nazi myth of invincibility. Crew members of the Zeppelin, afraid of Nazi powers, were silent. The investigating commission could never know what they suspected.

Condolences poured in from London, and Paris. The mourning was official in Germany, in May of 1937, but there was no talk in the German press of the censorship, unrest, and frustration that surrounded the investigation in New Jersey. The theory of this author on how the dirigible was destroyed, and why, and by whom, has the ring of plausibility.

The Inheritors. Golding.

The last eight survivors of the doomed Neanderthal race are the players in this haunting story. Six teens, a little girl, and a baby meet another race of beings, more skilled, certainly more sophisticated, and from their encounter with Homo Sapiens comes an intriguing narrative. You must concentrate, to follow it, for the style and quality are intense and different, but it will stimulate thought long after it is put aside.

SOUTH BAY AREA NEWS

PHONE REV. JAMES A. FENTON

Mr. and Mrs. Ray E. Hall and family and Miss Franny Hall spent Friday night and Saturday evening at Fish-eating Creek camp.

Mr. and Mrs. Lloyd Leach of Oregon and Mrs. D. S. Richardson, Mr. Charles Evans of Stuart were weekend guests of Mr. and Mrs. R. A. Hall and family.

Miss Judy Zytz and daughter of West Palm Beach visited her grandparents, Mr. and Mrs. Bill Jeffries on Wednesday evening.

Mrs. Edna Stokes, Mrs. Joe Wall and Mrs. W. M. Jeffries were in West Palm Beach on business, Monday.

South Bay Patrolman James Spradley has resigned effective immediately, to work in a tourist occupation.

Mr. Gene Heinen and Gerald Schmitz of Madison, Wisconsin were involved in an auto accident on U. S. 27, spent three days at the home of South Bay Police Chief and Mrs. Maxine Davis before going on to their homes.

Mr. W. C. Allen was a house guest of Mr. and Mrs. Floyd Ableson and daughters in Ft. Pierce on Thursday where he celebrated his birthday.

Mrs. Minnie Hester was guest of Mrs. P. E. Goodbread and mother Yates and Mrs. A. B. Barnes this past week.

Mr. and Mrs. W. M. Ferguson took a group of friends with them to the Passion Play in Lake Wales over the weekend and also celebrated their daughter Kathy Ferguson's birthday.

They invited Mr. and Mrs. Richard Sands, Buddy Goodbread, Doris Willis, Diane Shiver, Michael Shiver, Teresa Wilder, Nancy Goodbread, Bill Ferguson. They also enjoyed skiing at Lake Placid on their way to Lake Wales.

396-2529 or 396-6003

Mrs. Louise Weathers and Johnny of Clewiston and Rev. James A. Fenton were supper guests at the home of Mr. and Mrs. William M. Jeffries.

Mr. and Mrs. Eric Hartline and son, Jerry, traveled to Delray Beach on Sunday and visited Mr. Hartline's mother, Mrs. Maude Hartline.

Miss Martha Mikovsky of Belle Glade was a weekend guest of Miss Gail Sullivan.

Mr. and Mrs. Clayton Waters and son were dinner guests of Mr. and Mrs. Ray Sullivan on Sunday.

Rev. James A. Fenton spent Tuesday in Clearwater and Dunedin visiting friends and relatives and was accompanied home by his wife and family who had spent several days visiting.

Mr. and Mrs. J. C. Davis spent the weekend in Avon Park visiting friends and relatives.

Four Injured In Two Car Crash

A two-car crash six miles south of South Bay sent three to Belle Glade Memorial Hospital where Thomas E. Edmundson, 29, of Coral Gables, reportedly received surgery for severe injuries.

Investigating officer Trooper Corp. Danny Jackson of the FHP said Edmundson was driving south on U. S. 27 in his 1962 Chevrolet Corvair when a 1957 Pontiac station wagon with a tie-drop trailer driven north by Gerie A. Schultz, 18, of Route 2 in Madison, Wisconsin, passed a car, cut to the right and then cut sharply back to the left when the driver saw he might hit the car ahead of him in the right line. When Schultz moved across the highway to miss the car, he hit nearly head-on with the Edmundson automobile.

Passengers in the Schultz car were Charles Jacobson, 18, of Gammon Rd., Madison, Wisconsin who was treated at Belle Glade Memorial Hospital and was admitted for observation. Gene Heinen, 17, of 1219 Rutledge St., Madison, Wisconsin, Schultz, treated at Belle Glade Memorial Hospital, was later released.

Schultz was charged with "speed too great for conditions" and failing to have a trailer tag, according to Jackson of the Highway Patrol. Patrolman David Day of the Palm Beach County Sheriff's Department assisted Corporal Danny Jackson of the FHP.

Three Floridians Drowned When Car Plunges Into Canal

Three Pinellas County residents were drowned Friday when their car, flipped off U. S. 27 and plunged to the bottom of the North New River Canal. Florida Highway Patrol Trooper J. W. Harrison and an unidentified motorist dove in the canal and pulled the three victims, a man and two women from the submerged automobile.

The dead were identified as Mrs. Jean Marilyn Sauter, 33, of Pinellas Park, William A. Harns, 69 of 4626 22nd St., N. St. Petersburg, and his wife Dorothy, 56.

"There were no apparent exterior injuries," said Harrison, "and they died from drowning."

He said the left rear door of the car came open easily underwater, but the others were jammed and the passengers apparently were not able to free themselves before the car filled with water.

Water poured into the car through several broken windows. Harrison, 23, said the car was badly damaged. The car had a deep crease down the middle of the top of the car from hitting a cement pillar on the way down in the canal.

Witnesses told the trooper the northbound car, driven by Mr. Sauter, attempted to pass

two other cars, went out of control and rolled over one time on the highway, then once on the shoulder before sliding down the canal bank on its top. It landed on the muddy canal bottom upside down. The water is 10-12 feet at this point.

The accident occurred at 9:55 a. m. according to witnesses at the scene of the accident. The trooper said he received the call at 10:08 a. m. and arrived at the scene some 5 and one-half miles south of South Bay just six minutes later. It took another 10 to 15 minutes to pull the victims out of the automobile and upon land. By this time a Belle Glade physician pronounced them dead, and the bodies were taken to Williams Funeral Home.

"There was a rumor there were four people, but we confirmed there were three," said Harrison. The Palm Beach County Sheriffiff department dredged the canal for nearly two hours before they confirmed from reports there were only three.

Highway patrolman J. W. Harrison, was assisted by Corporal Danny Jackson and Sergeant C. H. of the West Palm Beach Branch of the Florida Highway Patrol.

The three deaths upped Palm Beach County's road death toll to 25 so far during 1964.

Andrews In Co. Commissioner Primary

Laumon "Andy" Andrews this week announced that he will be a candidate in the May 4 primary election for county commissioner representing District 3.

A Lake Worth businessman and civic worker for the past 20 years, Andrews opened his campaign by calling on Palm Beach County Democrats to examine his record of "two decades of selfless service to my city and county" in considering his candidacy.

A strong advocate of equitable expenditure of tax revenue in all parts of the county, Andrews is campaigning on a pledge of real and fair representation in a businesslike manner. Andrews offers his 20 year record as owner-manager of a successful automobile dealership, tire distributorship and service station in Lake Worth as clear evidence of his abilities in efficient business administration. He was one of the organizing directors of the Commerce National Bank in Lake Worth, and still serves as a director of the bank.

In civic and fraternal affairs Andrews has compiled an enviable record of service. He has twice received the Junior Chamber of Commerce Distinguished Service Award. His name was entered in the Exchange Club "Book of Golden Deeds" in 1959 for outstanding community service. He was named outstanding "Tiger Booster" in 1957.

He was a charter member and first president of Lake Worth Exchange Club. In 1956, Andrews served as president of Florida State Exchange Club. He was a charter member of the Lake Worth Junior Chamber of Commerce, and he is now in his eighth year as a member of the advisory board of the Salvation Army.

Andrews was chairman and master of ceremonies for the Lake Worth Chamber of Commerce "Coffee Hour" for a period of nine years. He is presently vice-chairman of the civil service commission of the city of Lake Worth, and he was formerly a member of the city employees retirement board, past president of the Lake Worth Chamber of Commerce, he served as a director of that body for nine years.

With his wife Betty and daughters Jeanne, Mary Jane, and Joanne, Andrews is a member of Calvary Methodist church in Lake Worth.

Additional affiliations include membership in Calvary, the Lake Worth Chamber of Commerce, and the Lake Worth Chamber of Commerce.

ge 245, P. AM Lake Worth

Turpike Tolls Million \$\$ Per Month

New records for cash toll income by the day, week, month and quarter were set in March by the Florida State Turnpike Authority. Cash tolls are expected to set a record in 1964 according to John R. Phillips, Chairman of the agency.

Phillips said completion of the 156-mile extension in January plus a record breaking winter tourist season brought in record first quarter cash tolls of \$3,090,544. Cash toll income for the same period in 1963 was \$1,703,330.

Record day cash receipts of \$52,473 came on Friday, March 27. Record week March 23 through 31 with cash receipts of \$309,664. January cash tolls were \$900,365. February cash tolls were \$1,030,175. March cash tolls, a new monthly record, were \$1,168,002.

Cash toll receipts for five March days, the 28th through 30th, were \$240,289, almost \$2,000 more than the cash tolls for the entire month of September, 1957.

The most essential element in any home is God.

MAN ON THE JOB

FOR THE MAN WHO HAS EVERYTHING (well, almost)

Ever feel like getting away from it all and heading for the back country? It's the easiest thing in the world in a Jeep Gladiator with a camper unit. Just pack up your gear for hunting, fishing, skiing, birdwatching, rock hunting or whatever your pleasure may be.

No need to worry about sleeping accommodations, either. They're right with you wherever you go to keep you snug, warm, dry and comfortable regardless of the weather.

And because it's attached to a Jeep Gladiator, you can go wherever you like... places which might previously have been accessible only on foot or on horseback. The unit is removable, too. Whenever you require a workhorse of a pickup truck with a large load and extra load carrying capacity, you have it.

Sound exciting? It is! It's available in either 2- or 4-wheel drive, in 7- or 8-foot lengths. Deluxe or standard. Why not see your Jeep dealer today and have a look at the Gladiator with attached camper unit. Maybe you can become the man who has everything. (Well, almost)

800 In Attendance

Troop 601 Attends Council Camporee

Twenty boys of Scout Troop 601 took part in the Gulf Stream Council Camporee last weekend at Fishing Creek.

Approximately 800 boys and adults from the six districts of the council enjoyed swimming, outdoor skills, contests a campfire program and church services. The Glades District of the council was the only district represented by 100 percent of their scout units.

Boys attending from Troop 601 were Leon Cunningham, Steve, Bobby Mathews, Bert Murray and Charles Ruff. Charles and Steven Close, Gregg Jones, Ricky, Roth, John Kidder, Doug Wall, Jimmy Mincey, Ronnie Hilly, Paul White, Paul Prescott, Bryan Moore, Dickie Snow, Jerry Williams, Drew Payne, Bobby Mathews, Bert Murray and Charles Ruff.

Adults attending were Scoutmaster White and Mincey and Troop committee members Shumaker and Ludlow and Haines.

The Pixie 4-H had its regular meeting Monday afternoon and worked on several food experiments and on project books. The girls have completed their community projects. They took several bags of used toys and records to Oseola Camp Nursery and baked cup cakes, dyed four dozen Easter eggs and decorated an Easter basket and gave them for their Easter party.

The Pixie 4-H were well represented at 4-H Achievement Day last Saturday. Tina White, Deborah Thomas and Peggy Buchanan had demonstrations. Donna Connell led first grade the talent show. Each girl made a food exhibit. Tina White also had a Room Improvement exhibit and Debbie Sellers a clothing exhibit. The girls all modeled the shifts they had made in the dress review - Patie Roberts, reporter.

Worried Mother Gets Good News From Anchorage

(Editor's Note: Mrs. Helen A. Davis of Henderson's Trailer Park South Bay, received this letter from her daughter Wanda Wagner telling about the earthquake. Paul Wagoner her son-in-law is with the U. S. Bureau of Indian Affairs. Mrs. Davis had visited them since they had been residing in Anchorage.)

March 28, 1964
Saturday
Earthquake City.

Dear Mom:

I sure hope you get this letter before you worry much. We had a terrible Good Friday. The earthquake they say is the worst one ever recorded, even worse than the San Francisco quake in 1906. I was in the apartment alone when it began. Before I could get to the door, I was slammed from wall to wall. I ran outside and couldn't even stand up. The girl next door has two children here she came with one under each arm. The girl on the other side had one. We managed to get away from the buildings and by that time we could no longer stand up. I had one baby and they each had one. We just

sat down in the snow, no coats or blankets for the babies. It lasted five minutes but seemed more like an hour.

The buildings were jumping around and things falling everywhere. The trees bending double and the ground cracking all around us. I've never been so scared in my life. A hurricane is nothing compared to this. Paul came home shortly after it ended, the first one, then we had small quakes all night until 10:30 this morning and heaven knows if that's all.

We have no heat, water or electricity. Everyone in the apartment house settled in one apartment and no one slept all night except the babies. There is no gasoline to be had only for civilian defense. We managed to find one Coleman lantern and a plumbers stove and some white gas to keep them running all night. Thank God we had the transistor radio. They set up emergency power on one station so we could keep up with instruction. "Pack extra food, blankets warm clothes, and first aid kits in your car. Take your most important possessions along. Get your car away from any falling buildings and stay in it — That was what we did, and then stayed with the radio.

This morning they gave reports on some of the damage and I will have a hard time describing it. The entire town area — has been destroyed. There are no buildings left standing. The new Penny Store (only a year old) completely demolished plus everything else. There were cracks in the earth 15 to 18 ft wide and 20 to 60 feet

deep. It swallowed cars whole. In one section it swallowed homes in cracks as deep as 100 feet, almost a mile and a half long taking everything in its path. The Airport (the one you left from) is completely gone. You have no idea of the cost of destruction — a five minute earthquake can do this. We are going to take typhoid shots tomorrow morning because the sewerage is open and even our well may be contaminated.

My God Mom, I'm sure glad you weren't here. I've been through a lot of things but this was awful. No warning, to get water, candles, etc. Thank goodness I had lots of canned food and we can eat, even if it's cold most of the time. I've never known such destruction.

I'm going to sign off because they are picking up the mail very shortly for out going mail. Hope you haven't been worried. I'll write more later.

All our love,
Your Earthquake Kids
Paul and Wanda

It really isn't funny, but if I don't kill, I'll cry.

City Clerk Off On Boat Trip To Europe

Embarking on a "dream of years" City Clerk Mrs. Vera Jones, accompanied by her sister Mrs. W. R. Bouquet of Pensacola, set sail yesterday (April 8) aboard the S. S. Hamsfari for an extended tour of Europe. "I'm particularly looking forward to the relaxing days aboard ship over and back," Mrs. Jones said.

The two ladies left at 11:00 a. m. Wednesday from Port Everglades to go directly to Germany with brief stops at New York, France and England en route.

In Weisbaden, Germany they will visit a nephew Paul Emery who is with the U. S. Air Force and has arranged a weeks leave to show them around.

From Weisbaden they will travel by train on to Austria, Switzerland, Italy, Spain and France, and hope to arrange their schedule to include a visit to Ireland and will return home aboard the S. S. France liner.

Mrs. Jones was the honoree at several parties given by her friends during the past several days. "If good wishes help we should have a wonderful time," she said.

The City Clerk expects to be back at her desk Monday, May 18.

BIRTHS

March 31: Mr. and Mrs. James Beiersdorfer, 1351 So. Orange Blossom Trail, Apopka, Florida announce the birth of a daughter, 6 lbs., 4 oz., in Orange Memorial Hospital, Winter Gardens. The mother is the former Linda Berryhill of Belle Glade. Mr. and Mrs. Grant Van Sickle are the maternal grandparents.

Free Trips To The World's Fair

Two couples to this year's Parade of Homes will be lucky winners of an all-expense paid trip to five days and four nights to the World's Fair, New York.

This was announced by Paul Robinson, general chairman of the Parade of Homes which opens in West Palm Beach April 14th.

The first pair of winners will be named Mr. and Mrs. Palm Beach County and will be the VIP special guests at the official opening ceremonies of the county exhibit on the Florida site at the April 22nd opening of the World's Fair. They will be introduced to World's Fair and top Florida state officials at the ceremonies, Robinson said.

The second winning couple's all expense paid trip will be available for use anytime prior to October 28, 1964, the closing date of the Fair this year. Otherwise both couples will enjoy the same schedule without either cost or obligation to themselves.

Both couples will stay at the famous Americana Hotel; receive entrance tickets to the Fair and an air conditioned bus tour of the entire grounds, plus a ride on the monorail.

There will be a tour of the United Nations building. Visit to a first-run movie at Radio City and the famed Rockettes show, tickets to a Broadway show, and others to a nationally televised show.

Visitors will merely be asked to register at the Parade of Homes to become eligible for the free trips. Registration forms will be available at both Parade sites — Cabana Colony East near the FCA plant, off Prosperity Farms Road, and at North Palm Beach's Yacht Club Point.

Opening ceremonies were held April 4, and The Parade of Homes to become eligible for the free trips. Registration forms will be available at both Parade sites — Cabana Colony East near the FCA plant, off Prosperity Farms Road, and at North Palm Beach's Yacht Club Point.

Woodpeckers rolled high team game 634 and 3rd high set 1732. High individual sets and games were won by J. Tucker with 200 game and 495 set; A. Lafayette 181-495; C. Busbin 207-466; K. Kimberly 207 game and Perry Wedgworth 176 game.

Lake Bowling League . . . Frolic took over first place with 70 pts. U. S. C. C. Clewiston second with 68 and W. T. Grant 3rd with 61. High team set was rolled by U. S. C. C. Clewiston, WOWWY and U. S. C. C. Clewiston tied for high game with 699. Bill Sage rolled high set of 571; and Milt Gross rolled 240 for high individual game.

Men having high sets and games were Milt Goss 240-220; J. B. Smith 201; Bob Pearce 507; Bill Sage 571; Jim Johnson 212-514; Hank Andries 550; Bob Goodhart 226-548; Harry Vaughn 235-546; Wilbur Minney 325; Clarence Throp 224; Jerry Gummere 213-546; Perry Rigdon 502.

Army Exhibit Slated For Glades Festival April 16 - 20

A colorful exhibit telling the dynamic story of the Soldier-Key to Landpower will appear at the Pahokee Airpark during the Glades Spring Harvest Festival, April 16 through 20, according to Army Recruiter Sergeant First Class Ronald E. Rosser.

Sergeant Rosser, together with exhibition chairman Robert E. Meyer, of the Pahokee Junior Chamber of Commerce, are responsible for securing the modern display. The multifaceted modular display is a vivid graphic presentation of the skills, qualities and missions of the men who serve in Army uniform as Regulars and citizen-soldiers of the Reserve components.

Dramatic, high-interest transparencies depict the Army pre-festival, the Reservists and the National Guardsman performing their diverse duties as America's key to land power — sharing the combat skills for rapid, effective response to national emergency.

The display is highlighted by a specially produced 10-minute motion picture documentary showing the many aspects of the One-Army soldier; from the infantryman of World War II to today's missileman, and from the combat soldier in Korea to his Special Forces missions far-flung outposts of the world. The display is open to the public without charge.

SPESSARD L. HOLLAND

TO THE UNITED STATES SENATE

"I want to express my regret in not being able to travel constantly during this campaign throughout the entire State in behalf of my candidacy for re-election as your United States Senator, but I feel in this critical period it would not be wise to leave Washington and leave Florida not represented in Congress. As your Senior Senator, I might point out that the Senate and the power of an individual Senator is very largely determined by the SENIORITY he has attained."

Spessard Holland is now serving his 18th year as a member of the United States Senate from Florida . . . and he is 6th in the order of Seniority in the Democratic membership of the Senate.

RE-ELECT SPESSARD L. HOLLAND

U.S. SENATOR

If you're ready to buy a car...

Test the one that's No.1 in so many ways

THIS WEEK'S FEATURED CAR

INTRODUCING American REFRIGERATOR-FREEZER

Distinctively new and different, the 1964 Americana adds a new dimension to kitchen convenience and elegance. 39 inches of valuable counter space have been added where they count . . . at the point where you load and unload food, toss a salad or make a sandwich! Another exciting General Electric product, with the famous G.E. quality and dependability.

- Fresh Food Storage at Eye-Level. Opens wide like a book for fingertip selection.
- New Ready-to-Use Countertop. Illuminated area, complete with cutting board for preparing, serving, loading and unloading food.
- Big Roll Out Freezer. Brings food, the right out front. No awkward stooping.
- Self Filling Ice Tray. Flip tray of cubes into storage container of your fingertips; close drawer, and tray refills with water automatically.
- Frost Guard. The dependable system that eliminates messy defrosting forever. Never have to defrost refrigerator or freezer.

Model T8401Y

FROST GUARD 12 REFRIGERATOR-FREEZER

- No defrosting ever! Ends messy defrosting in refrigerator & freezer.
- Only 28 Inches Wide! Tremendous convenience — fits in anywhere.
- Easy Food Access! 3 shelves, one slide-out. Plus 2 door shelves for big bottle storage.
- Big Zero Degree Freezer! Holds up to 84 lbs. of frozen food. Wire rack cover for ice trays.

\$27800

TERMS

Model T8131Y
